

A 3x10 grid of black dots forming a sparse, abstract pattern. The dots are arranged in three rows and ten columns, with some cells containing multiple dots. The pattern is irregular and non-repeating.

The image displays three rows of dot patterns, each representing a digit from 0 to 9. The first row shows the digit 0, the second row shows the digit 1, and the third row shows the digit 2. Each digit is formed by a specific arrangement of black dots on a white background.

A black and white line drawing of a tree. The trunk is a vertical line with a dotted pattern. The canopy is a large, cloud-like shape with a dotted pattern. A large, dark leaf with a dotted outline is shown to the right of the trunk. A dashed horizontal line is drawn across the middle of the image, and a curved line with a small circle at the end is shown below the trunk.
